

RIZKI HADDI PRAYOGA

FRONTEND ENGINEER

SUMMARY

I graduated from Alterra Academy's Frontend Engineer program and am enthusiastic to lead my current career path toward the digital technology field, especially in frontend development and UI design. My existing library and framework are React JS and Next JS. The styling frameworks that I used are Bootstrap and Tailwind. I've created and implemented user interface designs for mobile and web projects. I can work in a team, have good communication skills, solve problems, and have tenacity at work.
